

TEMPORARY FLOOR PROTECTION FILM

for Hard Surfaces

- **Made to protect:** Protects hard surface floors (ceramic, linoleum, and wood) during sloppy jobs
- **Easy to apply:** Reverse wind* rolls adhere quickly and easily
- **Easy to work:** Low tack adhesive stays put as you move about
- **Made to endure:** Strong, 3 mil polyurethane film is puncture and tear resistant
- **Easy to size:** Cut with sharp blade to fit space
- **Easy to remove:** Peel and toss in seconds
- **Easy to count on:** Stays on the job for up to 45 days
- **No hassle cleanup:** Floors remain unsoiled and without adhesive residue
- **Satisfied customers:** Customers appreciate contractors who cover their tracks
- **Available in 2 standard sizes:**
 - 24" x 200' Reverse Wind*
 - 36" x 200' Reverse Wind*

***REVERSE WIND** rolls contain the adhesive side of the film on the outside of the roll. Because the sticky side has first contact with the surface, application is quick and easy.

A durable, temporary solution to protect hard surface floors (ceramic, linoleum and wood), countertops, appliances, tubs, showers, tile, marble and other hard surfaces from damage as you work.

Tough, adhesive-backed barrier stays securely in place and protects against tracked in dirt, paint spills, dust, plaster and other work site debris.
